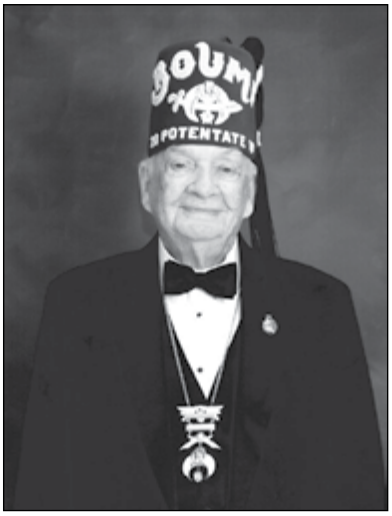
ES-SELAMU ALEIKUM

Greetings to All Nobles and Ladies of Boumi Shriners



This year has proven to be both exciting and pleasurable. Boumi had an enjoyable time at the Imperial Convention in Daytona Beach, thanks to the efforts of my Chief Aide Ron Burdynski and Shrine Father Charles Johnston, P.P., without whom I would have been totally lost. I also thank the Divan, Color Guard and Arab Patrol for their dedication.

Boumi has some special events in the works that I hope will give us recognition for the work we do for our Shriners Hospitals for Children. Please make plans to celebrate these events with us. You may be a better person for doing so.

Please keep in mind that you are a part of what we stand for as Shriners—a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth. Act accordingly and have fun while we work for our children with disabilities and burns so they can live a happy, healthy life like many of us have.

Yours in the faith,

Everette Cook

Greetings nobles:

When this article is published many nobles will have joined together over the summer months in parades, the Imperial Convention, the Imperial Potentate's visit to Boumi, MASA in Virginia Beach, multiple crab feasts, club and unit picnics and planning meetings.

Why do Shriners give up the precious days of summer to participate in these activities and put in the time and effort to represent Boumi at these events? I'm sure many of you have had friends, relatives, and maybe your significant other ask you these questions. Do you have an answer?

A Mason could be driven to become a Shriner based on the psychological need for social interaction with men who share the same values and ethics. The benefits of participating in shared activities where bonding takes place has been scientifically proven to provide benefits to individuals and to society. The benefits are multiplied if it takes place while having fun.

My opportunity to attend the Imperial Convention parade clearly demonstrated the positive and fun aspects of being a Shriner. Hundreds of men from all around the globe participated in the parade. With significant costs and effort, they transported their parade vehicles, floats, horses and costumes to Daytona. Why? To celebrate being a Shriner.

Shriners assembled before the parade in a party-like atmosphere. For blocks and blocks, nobles from various temples mingled and joked while the parade marshals attempted to get the parade line up in order, which was basically an attempt to herd chickens.

The fun and festivities carried into the parade and it was contagious to the crowds lining the 1.1-mile parade route. Children and adults were caught up in the fun and merriment and were urging the Shriners on with waves, cheers, smiles and much gratitude.

I know that being a Shriner offers me the opportunity to have fun and camaraderie with likeminded men. I'm good with that.

Do you know a Mason or non-Mason who might be looking for the same? If so, point him to www.shrinersvillage.com to find out how to join in on Shriner fun. If he isn't comfortable using the website, have him contact me or any Divan member for further membership information.

Welcome New Members

You are now a member of this very Illustrious Shrine, and we urge that you take advantage of its many privileges. Activities are diversified and continuous at Boumi Shrine. Designed mainly to stimulate fun, joy and good fellowship, it is ever the aim of our offices and committees to plan for every noble's interest and pleasure. That you will join active participation in Boumi Shriners functions is our sincere hope. Your interest and inclusion are certain to bring you the full share of dividends to which every Boumi noble is entitled.

EVERY WEDNESDAY for $5

Fellowship: 11 a.m. • Lunch: 12 p.m.

5050 King Ave., White Marsh, Md.

Boumi Shriners, wives and friends invited

NO SPEAKERS!

We hope everyone had a good summer. We miss serving you at the Wednesday Lunch Club. Lunches will resume on Sept. 12. Upcoming menus will include Philly cheesesteaks, shrimp salad sandwiches, and many other dishes from our repertoire.

Good news: Seven of our members are now certified through the Safe Serve course for food safety.

Those of you who are able should join us in our efforts for our nobles and ladies. It's a great feeling to be thanked for a good meal in addition to enjoying the fellowship with all those who attend. Sometimes there is a lot of work, but believe me, it's very fulfilling and fun.

Lastly, thanks to all of you who supported our efforts at the Carnival at our snowball stand, which made $900 in only four nights.

Noble Bruce Nelson

Ocean City S.C.

President Robert F. Reese

Ocean City Shrine Club cordially invites all brother nobles to our monthly meetings, which are normally held on the fourth Friday of the month at 6 p.m. We meet at OC360 Eats and Drinks on the rooftop of the Fenwick Inn at 139th St.—13801 Coastal Hwy., Ocean City, MD 21842.

In August, we held our Annual Golf Classic at the Ocean City Golf Club—Seaside Course. All profits from this event are donated to the Shriners Hospitals for Children. Special thanks to nobles Earl Hewitt and Jerry Heeg for all of their labors to put this event together!

Our next meeting is Sept. 18 at 7 p.m. It is our Board of Governors at Noble Bob Reese's house—148 Jamestown Road, Ocean City, MD 21842. On Sept. 29, we have a crab feast at 1 p.m. at the Crab Bag—13005 Coastal Hwy., Ocean City, MD 21842.

For information and event tickets, please contact Secretary Dick Feeser at 800-369-8909.

Ambassadors

Chief Ray F. Link

We hope everyone had a super summer. No need to mention the hot and humid days we've had. I wish to thank all Ambassadors and their friends who attended our Crab Feast in August.

I would like to remind everyone that, due to the MASA Convention in Virginia Beach from Sept. 5 through 8, we will not have our regular business meeting in September. Our next meeting will be on Oct. 11 at Boumi and is "Past Chief's Night."

Congratulations to Illustrious Sir Mark Hartz, P.P., on his election to the position of Imperial Outer Guard at the Imperial Convention in Daytona Beach. We wish you all the *best* as you climb up that imperial ladder.

As always, congratulations to all the units that brought home MASA trophies from Virginia Beach.

Plans are underway for the Ambassadors to join with the Clowns, the Yacht Club and the Motor Corps for another spectacular Christmas Party, which is on Dec. 14 at Columbus Gardens. Mark your calendar for this grand event.

Nobles, please remember our sick and shut-in members. If you know of any, please call Noble Karl Ballwanz at 443-324-5507. Attend your Blue Lodge—it is a place to find future Shriners and to support our hospitals, Boumi, and the Ambassadors.

Thank you for your support.

Western Maryland S.C.

President Charles "Rod" Smith

Everyone had a great time at our Annual Crab Feast. Thanks again for the loyal support of the Union Bridge Fire Hall, Noble Jack Koenig, his family and his regular club volunteers. Games and fun added a carnival atmosphere to the great food. Keep the date for next year—the last Saturday in August. Air conditioning certainly helps, and good people with their families and guests make for good memories.

Speaking of relief from the heat, we are looking forward to the cool and convenient venue for our fall meetings at the Blue Bistro in Westminster. Planning has begun for the Christmas party. If you wish to attend, join us any second Monday of the month at 6 p.m. for social hour. Please contact President Rod Smith at 443-821-5885 for directions and to place advance meal reservations in an effort to expedite service. Wives, guests, and curious brothers are welcome.

As we work to grow the Shrine, we welcome new Noble Ernie Trimper and his lady, Linda. Being hopeful at this writing, we have soon-to-be Master Masons and noble prospects—father and son Josh and Jake Smith. They learned about us at our crab feast.

Also, Instructor Jim Farris expressed his interest in the work we do for children. Jim is a collector of fezzes and is an interesting and fun guy—you should get to know him. Maybe members from his future classes may be inclined to join our work.

We wanted to again thank Executive Director Bonnae Meshulam of the Westminster Boys and Girls Club for speaking at our June meeting about the wonderful opportunities they provide to help kids in our community grow. Occasionally, Boys and Girls Clubs discover children who need services offered by the Shriners Hospitals for Children.

To join our email list for monthly notices, contact Noble Smith at 443-821-5885 or Secretary Mike Johnston at johnston21784@comcast.net. For periodic snail mail, contact Noble Scott Brown at sbrown@clvillage.org.

Provost Guard

Commander Paul R. Reinke Jr., P.P.

Summer has been hectic with the weather, parades, and social functions. Hope everyone had fun and enjoyed themselves.

The Imperial Convention is over and the Provost congratulates Past Potentate Mark Hartz on his election to the Imperial line. May his journey be filled with a lot of pleasant memories.

MASA is right around the corner and we hope everyone has a lot of fun and brings home a lot of trophies.

Blues Band

Director Andy Anders

The Blues Band hopes everyone had a great time at the convention in Virginia Beach. We always enjoy playing in the hospitality room. It's fun taking requests and trying to cover the songs.

We are available to play for your event. Contact Andy Anders at 410-296-1668. We play all kinds of music but we enjoy playing blues favorites from BB King, Stevie Ray Vaughn, Eric Clapton, and many other not-so-famous blues artists.

Photo Staff

Director John C. Friskey

We still need photographers, Photoshop users, or someone who wants to hang out and shoot pool. Also, we need someone to organize old photos. Maybe we could start a Photo / Pool Club.

We already have cameras, flash, tripods, and computers—all we need is someone to push the button, though not the GF button. On top of that, you do not have to know the difference between a bus stop and an F-stop—the cameras do that automatically.

Our club has two pool tables, 33 balls, and a bunch of pool cues. The only thing we need is you. Remember the Boumi Business Meeting and your Blue Lodge.

HARVEST HOME DAY

GRAND LODGE OF MARYLAND

SATURDAY, OCTOBER 6
6:30 - 11 A.M.
$5 DONATION

OPEN TO ALL MALE FRIENDS & RELATIVES

This day, begun by Grand Master Warren S. Seipp in 1928, brings Freemasons together from across the state to share in fun and fellowship with one another while enjoying the beautiful grounds of Bonnie Blink.

Originally known as "Corn Husking Day," the celebration has evolved into a day of fraternity, providing multiple activities, a bountiful selection of food, and the traditional award of a souvenir penny to each attendee.

Motor Corps

Captain David L. Spangler

Greetings from the Motor Corps. Summer will end soon and we hope everyone had a nice vacation and, most importantly, stayed healthy.

There were many parades scheduled this year—some were rained out and some were well attended. There are still a few to come and people will definitely see our riders in them.

A note on a former member of our unit, Noble Jim Leatherman, who is well-known at Boumi because he was a patient at the Shriner's Hospitals for Children. Jim now lives in Florida and is a member of the Araba Shriners Motor Corps. They attended the Imperial Convention in Daytona and won first place in both drill and obstacle course. We congratulate him and his Motor Corps to a job well done.

The Motor Corps is proud of the fact that our Illustrious Potentate Everette Q. "Cookie" Cook originated from this unit, of which he was the captain three times. He's a good motorcycle rider, by the way.

We would also like to recognize Noble Wayne Snyder, our treasurer and co-chairman of the Beer Brigade. You might also know him as Captain of the Guard at Boumi Business Meetings. Wayne is a longtime member of the Shepherds and he still makes many trips with patients to our Shriners Hospitals for Children in Philadelphia. He is also proud to wear his 50-year lapel pin, and he still rides a two-wheeler in most parades.

It is with sadness that I report the passing of Past Captain Don Warren. Don retired from BG&E recently and became very active in Shrine activities—you could see him at almost every event. He joined the Shepherds and was making frequent trips, and he always rode in our parades. Keep his family in your thoughts and prayers.

To **all** nobles: your next issue of the *Boumi News* will be the last for 2018, but there are still a lot of activities we can take part in. We remind all nobles to show up at your unit meetings and to support your Divan by attending Boumi Business Meetings. See you there!

Boumi Ladies

President Garneth Brown

Dear Ladies,

We had another fun year together. The weather has been really strange this year—it was either raining every day so we could not wait for some sunshine, then the sun finally came out and it was too hot to enjoy being outside. Maybe we will have a longer fall with more enjoyable temperatures.

It's time to tell everyone about the Boumi Ladies. We are a group of ladies whose husbands are no longer with us. We meet every fourth Monday of the month (September through June) in Boumi's Scimeter Club Room.

Most ladies arrive around 10:30 a.m. to socialize; President Garneth Brown conducts our business meeting; then we have lunch, which is followed by bingo for those who want to participate.

Please come to a meeting and see if it is something you may enjoy. Even if you do not know a member, I promise you will meet the nicest ladies you will *ever* meet. Hope you will give us a try.

Rebecca Yocum Reporting

Shepherds

Director Mark T. Fayer Sr.

All Shepherds enjoy meeting children and their parents and driving them to the Shriners Hospitals for Children in Philadelphia. One of our Roadrunners was Noble Donald Warren.

Don was a great Shepherd and he really enjoyed his involvement with children and parents. He was always willing to make a trip to the Philadelphia hospital, even on the shortest of notice.

Don became a Master Mason in November 2010 and joined Boumi shortly after in February 2011. Don laid down his working tools on June 19. We, as Masons, nobles and Shepherds, will sincerely miss him.

Harry Harger, Secretary

Noble Don Warren (far left) at the Shriners Hospital for Children last year. He rode with Boumi's Motor Corps on the hospital's annual Christmas in July Motorcycle Toy Run.

Our meetings will resume on Sept. 27 at 6 p.m. in the Scimeter Club Room. Our president has plans for a great evening. We would like to meet and greet many members whom we know by name only. Come on out and bring your lady and shrine friends. We always have a good time and the fellowship cannot be beat. Make reservations with Secretary Rowlan Stumpf at 410-592-6428 or rowlanstumpf@comcast.net. You will be glad you did!

Bou-Tem-Sci

President Linda D. Barnes

I hope all Bou-Tem-Sci members had a relaxing and enjoyable summer. In June, we had 55 members and friends go on our annual day trip to the American Music Theater where we saw "Songs of the Silver Screen" and ate lunch at the Hershey Farm Restaurant in Lancaster. Everyone had a wonderful day.

Out next regular meeting will be on Sept. 17 at 11 a.m. at Columbus Gardens. We will have lunch, a short meeting, and entertainment. Our guest will be Connie Wise of the Salvation Army to talk about the organization. Soon we will fill Christmas stockings for children and donate them to a Salvation Army program.

Our 86th annual Charity Benefit Luncheon and Fashion Show will be on Oct. 15 at 11 a.m. at Columbus Gardens. The theme "Never Forget the Children" is in honor of Illustrious Sir Everette Q. Cook. Boscov's of White Marsh will provide the fashions, and the models will be our own Bou-TemSci members. There will be raffles (50-50, baskets of goodies, and the Potentate's gift), a bake table, gifts-to-go, and a jewelry table.

The benefit helps us in our philanthropic work for our shoe program and it enables us to provide monetary support to the Shriners Hospitals for Children in Philadelphia and to the Boumi Transportation Fund. For a fashion show flyer, call Sandra Phillips at 410-557-8281. Please RSVP by Oct. 5.

On Oct. 16, ladies Garneth Brown and Pat Hieber will be at Boscov's in White Marsh in the morning to sell "Friends Helping Friends" tickets for our Bou-Tem-Sci Charity Fund. Tickets are $5 and can be used all day and on sale items. Last year, we raised $260 for our philanthropies. For information, call Linda Barnes at 443-604-3402.

Amateur Radio Club

President John S. English

Since I am a new member of the Radio Club, President John English asked me to write a few words about why I joined. I have had an interest in HAM radio since I was young. I read about it in Popular Mechanics and Boy's Life and it seemed so exciting to talk to people around the world on this magic box called a HAM radio. In the military I learned about the MARS stations and the how HAM radio volunteers worked to maintain communications during natural disasters all around the world. I just never found the time to study for the tests or learn Morse code.

When my son began studying for the test last year, he told me there is no longer a Morse code requirement—so I decided now was the time. I set aside an hour each morning to work on my free online study guide and, within a month or so, I had my technician and general license. I still have so much to learn, but I'm sure John and the rest of the Boumi Amateur Radio Club members can get me up to speed. If you have any questions about the licensing process, feel free to call me at 443-371-3030.

Noble Steve Kelley, KC3LMT

Eastern Shore S.C.

President James A. Massey

When you read this, summer will be over. Hope everyone had a good summer with family and friends, even though we had a lot of very hot and humid days on the shore. Now it's time to fall back into our Shrine meetings and activities. Our MASA parade in Virginia Beach is on Sept. 8. And Sept. 19 is our joint meeting with the Eastern Shore of Virginia Shrine Club, which will be held at a different location to be determined. Everyone come out and invite a Shriner and a Mason to meetings.

Yacht Club

Ladies Oriental Shrine of North America

Yak-Rem-Peh Court #32

High Priestess Pro-Tem Theresa Needer

Greetings, all!

I hope you took a well-deserved rest at some point this summer. I certainly did! The visit by our Grand High Priestess Lady Kris Sheridan was fun, fulfilling, and full for both days and the dinners. Thank you to all who contributed.

Now that you are rested, please get ready for the various events that are planned for the Ladies Oriental Shrine this fall. In September, I'm looking forward to reopening our court with a dinner before the meeting.

In October, join us for our first-ever paint night! Also, in October, I plan to attend the Mid-East Unit Meet in Vermont, where October is a lovely time of year.

But I'm really excited for our Murder Masquerade in November. Do we have a killer amongst us? Bring your enemies (hey, you might get to "kill" them in November), bring your friends, and bring your sparkle as we end the calendar year in fellowship. Hope to see you!

Crescent Lodge no. 240 A.F. & A.M.

Worshipful Master Richard "Maynard" Thurfield Jr.

Fellow Nobles,

Perhaps you recall that in our Masonic ritual we have been taught the unusual term "water ford." We learn that it represents a particular word of importance, but we are not taught what a water ford is nor the further symbolism thereof. For explanation, a water ford is a shallow place in a stream or river where it is safe to cross. Why is this symbol included in our ritual? Why is it placed where it is? And what is its significance to Freemasons?

To find out, you have to attend a meeting of Crescent Lodge, where we have made Masonic teaching a top priority.

Aside from the educational efforts at Crescent Lodge this year, we've also made new Master Masons, kicked off the year with an extraordinary installation, had a great family day picnic, and at our regular meeting on Sept. 27, we will be hosting the first *ever* Low Vale at Boumi Temple.

If you've not been to Blue Lodge in a while, come by and let us knock some of the rust off of your working tools. We have a friendly and open group of brothers, and it is ok if you are at Boumi for another club or unit meeting but are not dressed for Blue Lodge—we would rather have you with us in lodge than fret over a necktie or suit coat.

Though we have all rightly earned the title "noble," we must always remember that there is no honor higher than Master Mason. Make it a point to return to your Masonic roots and visit our lodge. I would consider it an honor to sit with any of my fellow nobles. Our schedule is posted on the Boumi calendar online and in the Boumi News. We would love to have you join us one evening very soon.

Catonsville S.C.

President Paul R. Reinke Jr., P.P.

Dear nobles and ladies,

Summer is almost over and we will begin our monthly meetings with fun and fellowship. In the meantime, I hope everyone enjoyed themselves during the preceding months.

At this time, the Catonsville Shrine Club would like to congratulate Past Potentate Mark Hartz on being elected to the Imperial line. We wish him and Lady Kathy the very best on their journey.

Jim Cain Elected Imperial Potentate

Jim Cain of Nashville, Tennessee, is currently serving his 11th year as a member of the Boards of Directors for Shriners International and Shriners Hospitals for Children®. Cain was elected Imperial Potentate, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners' 2018 Imperial Session – held in Daytona Beach, Florida, July 15 - July 19.

During his years as a member of the Board of Directors, he has served on several committees and as Chairman on many, including Salary, Personnel & Retirement; Planning; Clinical and Basic Research; Medical Affairs; Informational Services and Marketing and Communications. In addition, he has been the Liaison Officer to the Boston, Cincinnati, Honolulu, Shreveport, Springfield and Tampa Shriners Hospitals' Boards of Governors.

The Importance and Influence of School and Family

Cain is a native and life-long resident of Nashville, Tennessee. His parents both had polio; his father used homemade crutches and his mother had a wobbly, unique way of walking. Even so, they raised four children, instilling in them the importance of perseverance, hard work and family. And they had fun – Cain and his dad enjoyed playing catch. "You had to throw the baseball straight to him; he was balanced on his crutches," said Cain. His dad passed away when Cain was 14.

Cain graduated from Hume Fogg Technical High School, Nashville's first public school, where he studied drafting. One of his fondest memories is looking out the window during class and watching the Shriners ceremonials across the street. "They'd come in their police cars, with the ball and chain. It was crazy," he said. "I wondered who would want to belong to anything like that."

He also met his future wife, Patsy, while in high school. Married at 18 and 17, they celebrated their 50th anniversary in August 2017. They had their two children – Janice and Jim Jr. – by the time they were 21. Cain recalls those early years as something of a struggle, with both he and Patsy working, sometimes at multiple jobs. However, he also said, "We've always tried to make life fun. We worked hard, and we were blessed."

Working for the Railroad

Cain went to work for the L&N Railroad in 1969 and was a locomotive engineer for 12 years. He then became involved in railroad safety efforts and community programs, including Operation Lifesaver, which stressed the importance of following precautions when near railroad tracks or crossings. He also served as a lobbyist for the railroad industry for the state of Tennessee.

A Reason to be a Mason

While at the railroad, he became friends with a Mason. As he learned more about the Masonic values and philosophy, Cain saw "a genuine outlook for being a better man and doing for others."

Once he became a Mason, Cain's lodge had an immediate need for leadership, which he filled. By the next year, he was treasurer of the lodge. He became a member of Al Menah Shriners in Nashville in 1995 and served as Potentate in 2006.

Guided by Experiences and Values

At the core of Cain's life and beliefs is his concern and compassion for others. "I watched Mom and Dad struggle; and I watched people help them. I wanted to give back."

Those values will serve and guide Cain as he leads Shriners International this Imperial Year.

"People with challenges are near and dear to my heart. I have spent my life around people who try really hard in the face of adversity.

"My dad never saw a doctor. My mother could have been helped with braces. What we can offer today, through our philanthropy, is truly amazing – we need to share that with as many children as we can.

"I also want to unite the fraternity – together we can fix anything – together we can do anything we need to do. It's not about any of us individually – it's about our beloved fraternity and philanthropy."

Little POPS of Love™

Supporting the Pediatric Orthotic and Prosthetic Services (POPS) program of Shriners Hospitals for Children® that provides custom-designed orthotic and prosthetic devices, allowing children with limb deficiencies and other orthopaedic challenges to accomplish amazing things, be active participants in the world around them and pursue their dreams.

Patsy Cain, First Lady of Shriners International, knows firsthand the difference access to quality orthotics can make. Her in-laws, the parents of Imperial Potentate Jim Cain, both had polio and lived bravely and admirably with the aftereffects of the virus. Had today's braces and other devices been available to them, their lives may have been easier.

She has announced her fundraising program, *Little POPS of Love™*, which will support the Pediatric Orthotic and Prosthetic Services (POPS) of Shriners Hospitals for Children. The highly-qualified POPS staff members have created devices that allow children with limb deficiencies to play musical instruments, participate in sports and to have a better quality of life. These O&P (orthotic and prosthetic) professionals can create a full range of devices, from a complete prosthetic limb to the smallest assistive device, for children of all ages, efficiently, accurately and precisely.

"Each of us wants to make a real difference in the lives of the children who depend on Shriners Hospitals. The joy I've seen on the faces of children served by the POPS program inspired me to support this effort," said First Lady Patsy. "Having the correct brace, a perfectly fitting prosthetic device, or a proper wheelchair can open up so many new experiences for a child. These devices can help children be more independent, build confidence and most importantly, offer hope. Please join me and help show how *Little POPS of Love* can light up a child's world."

Shriners Hospitals for Children®

The POPS program at Shriners Hospitals is streamlined, collaborative and technologically advanced. Six of our U.S. locations are designated fabrication centers for our various locations and have electronic carvers, and each hospital location has computer-assisted design (CAD) capabilities. Using a computerized system and electronic carvers eliminates the need for creating plaster casts as models, and saves a scanned model as a digital file for future reference. Now, creating an O&P device can be accomplished in days, rather than weeks. The POPS program strengthens the consistency and efficiency of our processes and products throughout our health care system. In 2017, the POPS program provided 51,852 devices – 49,647 orthotics and 2,205 prosthetics.

First Lady Patsy invites you to join her in supporting the POPS program of Shriners Hospitals for Children, and help these children have wonderful, hopeful lives.

Donations can be made during the First Lady's visits or online at **lovetotherescue.org/first-lady-program**.

"There was a friend whose heart was good. He walked with men and understood. His was a voice that spoke to cheer, and felt like music on the ear. His was a smile men loved to see. His was a hand that asked no fee for friendliness or kindness done. And now that he has journeyed on, his is a fame that never ends—He leaves behind countless friends."

Nobles: Have you told your Lady and family that when you pass on they should give your Shrine and Masonic items (fez, jewelry, uniform, etc.) to another Mason in your family? Or, they can return the items to Boumi Shriners so the items can be given to a deserving noble or be returned to the Masonic organizations.

100 Million Dollar Club

Chairman James G. Cullison

For any new or old Shriner reading this column for the first time, I want to explain to you what the 100 Million Dollar Club is and remind you that, this month, we will be celebrating the 96th anniversary of the opening of the first Shriners Hospital for Children.

The first Shriners Hospital for Children was opened on Sept. 16, 1922, in Shreveport, La. There are now 22 orthopaedic hospitals and burn institutes; 20 located throughout the United States, including Hawaii, and one each in Canada and Mexico.

Although each noble contributes annually as part of his dues, it became apparent that with the increased volume of children being treated and the increasing cost of treatment, an additional source of revenue was necessary. On Jan. 1, 1972, the Imperial Council established the 100 Million Dollar Club to raise funds for a permanent endowment fund for the Shriners Hospitals for Children.

The two primary ways to contribute to this fund include:

1. A bequest to the Shriners Hospitals for Children in your will, and/or
2. A cash donation to the fund during your lifetime. This contribution can be made as often as you wish, and the only criterion is that it must be in the amount of at least $100.

The future of the Shriners Hospitals for Children is dependent on this 100 Million Dollar Club Fund, and the fund is dependent upon you. Please make your contribution now and as often as you can. Thank you.
